We don't need no education, we don't need no thought control
No dark sarcasm in the classroom, leave them kids alone

Mister look and see, is there a letter in your bag for me ?
I've been waiting such a long time
Since I heard from that girl of mine.

Song 73 :

She does the carpool, she P.T.A.'s
..... and, she drives all day
When she was twenty-nine, she delivered number three,
And every Christmas card showed a perfect family.
Everything runs right on time, years of practice and design
Spit and polish til it shines, he thinks he'll keep her.

I wish I was a, tumbling on the seas
Far away from dry land and it's bitter memories
Casting at my sweet light with abandonment and love
No ceiling staring down on me, save the starry sky above.

I'm your private, a for money
I do what you want me to do
I'm your private, a for money
And any old music will do.

Take me to the of your soul

Song 77 :

Mr won't stop to let me in

Mr don't like my kind of skin

Mr you're never gonna win

Mr won't stop to pick me up

Mr I might need some help

Mr only thinks about himself.

Song 78 :

He's got guard dogs, shot guns and homemade pecan pie

Friends come to swim, he gets a tan

He's a southern , a political man.

He's a southern set on winning

this here election inside his big white plantation

All the liquor and the women that money can buy.
